FINANCE DEPARTMENT
GANGTOK**

No. GOS/FIN/ADM/07

Dated: 20.11.2020

CIRCULAR

While examination of the proposal submitted by various works departments it is learnt that the agreement prepared and entered into with the contractor for execution of works contain several clauses which are disadvantageous to the State Government. The clauses like Force Majeure and payment for price variation etc. in the agreement for execution of work are seen not favourable to the State Government.

In view of this, the Roads & Bridges and Building & Housing Departments shall draw new standard documents of agreement for all the Works Departments for taking approval of the government through Finance Department. The new agreement so drawn needs to be vetted by the Law Department.
